Parish Financial Support

Parents are expected to be active parishioners in the parish in which they are registered, have a current Parish Stewardship Commitment Card on file with their parish office, and financially support the parish by fulfilling the stewardship pledge through regular contributions.

Registration Fee

A registration fee of \$125 per child for current re-registering families is due at the time of registration or \$175 per child for new families registering (due upon acceptance of new families). These fees are for registration purposes and are non-refundable.

Tuition Payment

Tuition rates include each student's book, computer lab, assignment book/planner, and science fee. Kindergarten tuition is the full amount for either our half-day or full-day program. Full-day kindergarten requires an additional annual fee of \$1,025.00 which covers the expense of our full-time Kindergarten Aide. This signed contract must be received by the school at the time of registration. Each family is responsible for paying the tuition amount indicated or an amount agreed to as arranged with the Principal.

Tuition is collected on a 10 month basis unless parents have requested in writing an 11 month payment schedule. The first tuition payment is due to the school office on August 5th, 2010 and a grace period of five days is allowed. Payments received after the 10th will be assessed a late fee of \$20 per month.

A family who is not current with their required tuition payments after 45 days, will be given 10 days notice to make arrangements with the Principal. If there is no satisfactory resolution, the family will be asked to withdraw their child/children from the school. Student transcripts, all grade reports, and diplomas will be held until all tuition and fees have been paid.

Additional Costs

Additional costs not covered by tuition or fundraising may be incurred by parents during the school year. These expenses may include, but are not limited to: uniforms, milk/hot lunch program, CYO Athletics, field trips, carnival, PTO fees, memory book, EE week, bake sales, and extra-curricular activities (i.e.: Spanish, Speech, Chess, Band).

Tuition Rates

Please check either (A) or (B) to indicate the tuition rate which applies to your family.

_____ (A) **In-Parish Tuition Rate:** Parents who have a current Parish Stewardship Commitment Card on file with the parish office and who are fulfilling that pledge through regular contributions will receive the In-Parish Tuition Rate. Families registered at another parish may qualify for the In-Parish rate provided their parish will subsidize their child(ren)'s education at the same subsidized rate as St. Brendan Parish.

_____ (B) **Out-of-Parish Rate:** Families who do not qualify for the In-Parish Tuition Rate will pay the Out-of Parish Rate for their child(ren).

Please check the box that applies to your family for the 2010-2011 school year.

State Immunization Form

Parents are required to provide a current, signed and completed State of Washington Immunization Form for each child by the first day of school. Students are not allowed to attend school without a properly completed and signed state immunization form.

Background Checks

All parents must complete a background check with the school or have on file with the school a valid background check by the first day of school (background checks are valid for a three year period). All parents must have a cleared background check prior to any volunteering in the school.

Parent Volunteer Requirement

Parents are expected to complete a minimum of 45 volunteer hours for a two-parent family or 30 volunteer hours for a single-parent family by volunteering in school related activities. Up to 20 volunteer hours may be in a parish related youth activity such as Faith Formation, Vacation Bible School, CYO Athletics, or other school or parish activities as approved by the Principal.

Parents are responsible for reporting their volunteer hours in a timely manner via the electronic database accessible from the school website. For special circumstances in fulfilling volunteer hours, parents need to contact the Principal.

Support of School Fundraising

Tuition only partially covers the actual cost of educating each student and therefore, parents agree to financially support their parish and participate in the school’s Development and PTO fundraising efforts as follows:

- (1) **Annual School Appeal** - Parents will complete an Annual School Appeal pledge form according to their family means; the pledge is due on the first day of school and fulfillment is due by May 1st.
- (2) **PTO Fundraising Plan** - Parents will provide a signed PTO Fundraising Contract.

Student Photos

St. Brendan Parish School’s website and marketing materials highlight school related activities with pictures of our students. Children are not identified by name. By signing this contract, parents agree St. Brendan may use their child’s team, class, individual, or group photos on the school’s website or in printed materials. Parents who do not wish their child’s photo to be used on the school website or in any printed material must sign a non-release form available in the school office.

Withdrawal Policy and Tuition Due

Tuition makes up 75% of the school’s revenue and the next year’s budget is determined based on student enrollment. When families make the decision to withdraw from St. Brendan Parish School before school begins or during the school year, it impacts the school’s revenue. Families who decide to withdraw need to notify the school in writing. The last day to withdraw for the following school year without owing any tuition is April 30th. For special circumstances, parents will advise the Principal. The Withdrawal Tuition is due unless specifically waived by the Principal or Pastor. Withdrawal Tuition is based on the percentage of total annual tuition indicated in the following chart. Student transcripts, grade reports, and diplomas will be held until all tuition and fees have been paid.

Month Notice Given	Tuition Liability
May and June	10% of total annual tuition
July, August, and September	30% of total annual tuition
October and November	50% of total annual tuition
December and after	100% of total annual tuition

St. Brendan Parish School reserves the right to seek legal recourse for the collection of unpaid tuition, fundraising obligations, and other fees as stated in this contract.

We have read this Tuition and Registration Contract and agree to:

- pay the tuition, registration fee, and other fees as stated in this contract.
- abide by the school policies, procedures, and regulations as outlined in this Contract, the School Handbook, and as determined by the Principal and Pastor.
- provide our support for the school’s Vision, Mission, Purpose, and Values Statement (on page 4).
